Subject: Inquiry into bribe taken from Police officer – Mahesh Narayan Mugutra for filing false FIR No. 0654 at Dadar Police Station

Dear Sir,

I, Santosh Sakpal, am a private investigator conducting an investigation into a case involving a First Information Report (FIR) filed by Abhishek Saraf (+91 98201 80065), residing on the 3rd floor at Esplanade House, 29, Hazarimal Somani Marg, Mumbai 400001.

The aforementioned FIR – 0654 was filed by Inspector Mahesh Narayan Mugutra (PBMH76505) from Dadar Police station on 13/08/2022 after accepting a bribe of Rs. 20,000 from Abhishek Saraf.

On 3/06/2022, Abhishek Saraf and Ali Asgar Merchant (+91 98200 04400) had a dispute that escalated into a physical altercation at a restaurant in Worli. Following the incident, Abhishek Saraf attempted to file multiple police complaints against Ali Asgar Merchant, but the police declined to register the complaints due to the perceived insignificance of the matter. Frustrated by the lack of response from the police, Abhishek Saraf met with Inspector Mahesh Narayan Mugutra on 12/08/2022, several months after the incident, and fabricated a false narrative implicating Ali Asgar in extortion activities involving a sum of 1Cr. Abhishek Saraf resorted to paying a bribe of Rs. 20,000 to Inspector Mahesh Narayan Mugutra (PBMH76505) from Dadar Police station in order to lodge his baseless FIR. The false FIR implicates both Ali Asgar and the owner of the restaurant.

Upon conducting further investigation, it was revealed that neither of the accused parties were summoned by Inspector Mahesh Narayan Mugutra. Instead, he directly filed the false complaint without conducting any proper investigation. Subsequently, the matter was transferred to the Anti Extortion Cell under the supervision of Inspector Sanjay Taralgatti (+91 81080 55100). When I contacted Inspector Sanjay Taralgatti, he explicitly stated his inability to take any action in this matter and suggested resorting to legal proceedings.

To summarize, the submission of this false complaint has inflicted significant harm and distress upon the falsely accused parties. Regrettably, individuals like Abhishek Saraf are exploiting the Indian judicial system by bribing police officers and filing baseless complaints.

I earnestly request your thorough examination of this matter and appropriate punitive measures against the officers involved in this act of bribery.

Yours sincerely,

Santosh Sakpal (+91 82689 17276 / santoshsakpal03@gmail.com)
