Subject: Investigation of bribery and false FIR by Abhishek Badriprasad Saraf

Dear Sir,

I am Santosh Sakpal, a private investigator. I am looking into a complaint made by Abhishek Badriprasad Saraf (+91 98201 80065) who lives at Esplanade House, Mumbai 400001. Abhishek Saraf falsely claimed that Ali Asgar Merchant (+91 98200 04400) slapped him and demanded 1 Crore from him to stop a video of the incident from being shared. Inspector Mahesh Narayan Mugutra (PBMH76505) from Dadar Police Station took a bribe from Abhishek Saraf and filed a false FIR (No. 0654) on 12/08/2022. Abhishek Saraf was angry because the police did not register his complaints against Ali Asgar Merchant after their fight on 2/06/2022 at a restaurant in Worli. So, Abhishek Saraf made up a false story of extortion and filed a baseless FIR, also involving the restaurant owner.

Key Points for Investigation:

- Ali Asgar recorded and slapped Abhishek Saraf for misusing his card and membership at the Bombay Gymkhana Club (There is an ongoing investigation on Abhishek Saraf in the Bombay Gymkhana Club).
- Abhishek Saraf's initial complaint (04/06/2022, complaint id 23244/2022) only mentioned the assault by Ali Asgar Merchant without any extortion claims.
- Abhishek met Inspector Mahesh Narayan Mugutra on 12/08/2022, two months later, to fabricate the false story of extortion, it seems to be motivated by his bruised ego.
- No evidence in the chargesheet supports Abhishek Saraf's extortion claims against Ali Asgar Merchant, such as phone conversations or WhatsApp messages. It seems Abhishek Saraf invented this false story.
- Inspector Sanjay Taralgatti's (+91 81080 55100) investigation was inadequate, including the restaurant owner in the chargesheet despite the owner's absence during the assault.
- Witness Nitin Chamaria (+91 98197 30449) admitted lying about the extortion under pressure from Abhishek.
- Abhishek Saraf's friend, Alok Makharia (+91 98200 00179), confessed that Abhishek Saraf recently mentioned dropping the case if Ali Asgar paid him 9 Crores. Abhishek now wants to extort money from Ali Asgar Merchant.

This false complaint has caused harm and distress to the wrongly accused parties. Unfortunately, individuals like Abhishek Saraf exploit the Indian judicial system by bribing police officers and making baseless complaints to their advantage. I kindly request a thorough investigation and appropriate disciplinary action against the involved officers.

Yours sincerely,

Santosh Sakpal (+91 82689 17276 / santoshsakpal03@gmail.com)
