Subject: Investigation of False Report by Abhishek Badriprasad Saraf and Untruthful Statement by Mr. Nitin Chamaria

Dear Sir,

I am Santosh Sakpal, a private investigator looking into a case involving a False First Information Report (FIR) filed by Abhishek Badriprasad Saraf (+91 98201 80065). He lives on the 3rd floor at Esplanade House, 29, Hazarimal Somani Marg, Mumbai 400001.

Here is what I have found:

1. I want to thank the Mumbai police for reopening the investigation against Abhishek Badriprasad Saraf. He's known for cheating many people. I'd like to express my gratitude to ACP Dattatray Nale of D/South (+91 99231 95362) who has shown a lot of interest in this case and has called everyone to get their statements. This is related to LW. No. 60/23/ACP, Det-Central / D 07/25/2023.
2. It has also come to my attention that Abhishek Saraf's witness, Mr. Nitin Chamaria (+91 98197 30449), gave a false statement in the charge sheet because he was pressured and blackmailed by Abhishek Saraf.
3. Mr. Nitin Chamaria works as the CFO of Blue Energy Motors and was present when an incident and argument happened between Ali Asgar Merchant and Abhishek Saraf on 2/06/2022 at a restaurant in Worli.
4. Mr. Nitin Chamaria's false statements have caused a lot of harm to the accused parties, Mr. Ali Asgar Merchant, and Tarun Thadani, who are now in court facing a false case (Court case no. PW/470/2023 Esplanade Court).
5. I request an immediate questioning of Mr. Nitin Chamaria and ask for him to be questioned about why he lied to police officer Sanjay Taralgatti (+91 81080 55100) when giving his statement.
6. Now that it's clear that Abhishek Saraf lied and falsely accused innocent people, I ask for your help in filing an FIR against Abhishek and Nitin and getting the false case removed from court.

Telephone Numbers for Investigation: Abhishek Badriprasad Saraf (+91 98201 80065), Inspector Sanjay Taralgatti (+91 81080 55100), ACP Dattatray Nale D/south (+91 99231 95362), Mr. Nitin Chamaria (+91 98197 30449).

Yours sincerely,

Santosh Sakpal (+91 82689 17276 / santoshsakpal03@gmail.com)
